Realfast Newsletter - March 2010

Realfast2Go® is Included as a NC Association of REALTORS® Member Benefit

Realfast believes in the future of your business. Real estate is filled with more opportunities than ever before. The current environment is comparable to that of an exciting start-up business.

Now is the time to forge relationships with referral sources and build the foundation for your future. Realfast2Go will help you along the way by allowing you to "work smarter" - spending less time writing contracts and more time developing your business.

Realfast is your partner for success.

Realfast2Go provides all the features you need to work efficiently including:

- **Connected and Offline Modes:** Access, edit and create forms even without an internet connection
- **Electronic Signatures:** Offered through DocuSign® - trusted, widely accepted and NAR®-endorsed
- **Expandable Fields:** Unlimited expansion of editable fields reduces the number of addendums and provides a more professional contract
- **Customer Service and Support:** Best in class Realfast customer service ensures you will always be up and running
- **Live Training:** Held twice per week - and always free of charge - ensuring you get the most from Realfast2Go

Live Web-Based Realfast2Go Training

Learn how to begin using Realfast2Go and see the key features that will make your forms work easier. Click below to select a training session. Space is limited so sign up now.
