

Our theme this year will be “BCAR On The Rise – Looking Up & Moving Forward”.

Our industry has certainly experienced some dark days in the past couple of years. However, many economic indicators are beginning to point to brighter days ahead, hence our tag line for 2010. I appreciate the opportunity to help lead this association into the brighter days of 2010 and want you to know that success will only be possible with the support of you – the membership of our Association. Together we can make a difference in our own lives and businesses as well as the consumers and communities we serve.

I would like to challenge each of you to become engaged in making a difference. Our committees will be working hard to do “more with less” while we continue to provide you, the membership with the services you need. We will continue to seek and offer speakers and classes that are of value to you and your businesses. Please support these efforts by participating as often as possible.

Thank you again for the opportunity to serve BCAR in 2010.

Warmly,
Mary Ann McCarthy
BCAR 2010 President
