## **Supra Key Exchange**

February 4-6. THE ACTIVE KEYS ARE COMING!!! Bring your SupraKey, cradle & power cord for cradle with you to the exchange. Please make every effort to attend this exchange, or schedule an appointment to come in and exchange your key after February 7.

## **Listing Input Forms**

There is a new version of the listing input forms in links and documents for Single Family Listings. These input forms reflect any changes that have been made to the MLS. For example, when the property type Residential was renamed Single Family, this form was changed.

## **iMapp Upgrade is Coming**

The iMapp and iLinks (tax search through the MLS) is getting an upgrade. These products are merging into one *online* product. There are some great changes that have been made to the system to make it easier to use and compile data. Classes are scheduled for February 25-27 and run about 1.5 hours. More information to come on this upgrade!!!!
