Realfast Newsletter - February 2010

Realfast2Go® is Included as a NC Association of REALTORS® Member Benefit

Realfast is proud to supply forms software as a member benefit to the NC Association of REALTORS. Your membership includes free access to Realfast Forms 6 and Realfast2Go.

Realfast2Go is the latest in web-based forms software including Connected and Offline functionality in the same application. Even if you do not have internet access, you can still create new transactions and edit existing transactions.

What's New - Enhanced DocuSign® Integration with Realfast2Go

Realfast partners with DocuSign, the industry leader in electronic signatures. Endorsed by the National Association of REALTORS, DocuSign is the most trusted and recognized provider of e-signatures. [Click here](#) for more information on DocuSign including details on their 30-day money back guarantee.

Coming Soon - Enhancements and New Features

We regularly update Realfast2Go with new features based on customer feedback. Watch the Realfast2Go welcome screen for information on new features and [contact Realfast](#) to share your product suggestions.

Live Web-Based Realfast2Go Training

Learn how to begin using Realfast2Go and see the key features that will make your forms work easier. Click below to select a training session. Space is limited so sign up now.
