

**MLS Data  
Reliable. Accurate. Respected.**

Policing the data is not a bad thing.  
Having accurate MLS information is a good thing.  
In fact our members demand it!

Our MLS integrity is your business lifeline and our highest priority.  
We pride ourselves in "policing" our MLS data to ensure its accuracy –  
**saving you time, energy and frustration.**

**We encourage our members to report violations.**
