

To place the map pin for your listing

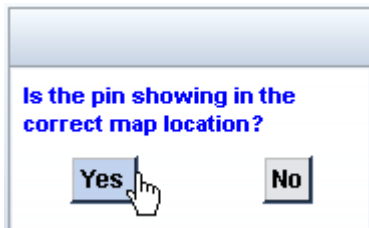

1. From the **Listings** drop-down menu, click **View/Revise Your Listings**.
2. Click the Revise Icon  next to the desired listing number.
3. Under Listing Information, click the **Map Pin Placement** Link.
4. Click the **Adjust Pin Location** button located at the top of the window.

5. On the map, click on your desired location.

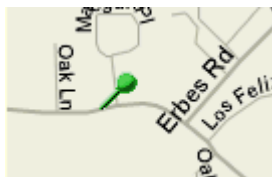

6. In the confirmation box that displays, click **Yes** to save your selected location.

NOTE: If this box does not display, you need to disable a pop-up blocker on your computer.

7. The page automatically adjusts to display the pin's new location in the center of the map.

8. Click the **Close** button to finish.

NOTE: Click the **Restore Defaults** button to place the pin in its original location.
